# INTER-OFFICE MEMORANDUM

---

## Office of Accounts and Control

**TO:** Chief Financial Officers  
State Departments and Agencies

**DATE:** June 10, 2002

**FROM:** Lawrence C. Franklin, Jr., State Controller

**SUBJECT:** **FY 02 SUPPLEMENTAL APPROPRIATIONS**

---

The Budget Office has prepared the allotment changes resulting from the Supplemental Appropriation Act, 02-H-7732, Article 10 Substitute A, as passed by the House of Representatives on May 29, 2002 and the Senate on May 31, 2002. Although on June 6, 2002, Governor Almond vetoed the FY 2003 Appropriation Act, which includes the Supplemental Budget, the Budget Office has requested that the accounting system be updated with the Supplemental Budget in anticipation of the General Assembly overriding the Governor's Veto.

You should be aware that as a result of the supplemental most Authorized Red Balance's (ARB's) were deleted from the accounting system. If, after reviewing your budget, you find that line items have gone red you should contact the Budget Office for assistance on rectifying this problem.
